Title: Dualchain business method

Payment of annual fee overdue

The annual fee year for year 1- 3, regarding the above mentioned patent application should have been paid 2020-07-31.

Since the annual fee was not paid on the due date, you are hereby reminded of the possibility to pay the annual fee with a 20% increase on the full amount of the annual fee, within six months from the due date.

If the increased fee has not been received by the Swedish Patent and Registration Office (PRV) on 2021-01-31 at the latest, your patent application will be dismissed without possibility of ordinary reinstatement.

Please find information regarding the current annual fee on our website www.prv.se.

Regards,

Formalities division
Patent department**Information**

The annual fee must be paid without reminder from PRV. PRV will not send invoices before the due date of the annual fee. The payment may be deposited to PRV's banking giro 5050-0248 or through our e-service Electronic payment. More information on payments from abroad and on current fees are available on our website www.prv.se. You can also contact our Customer Service by telephone +46 8 782 2800 or e-mail prv@prv.se. Opening hours are weekdays between 08.00 and 16.40.

If your address has changed, and the address above is no longer valid, please contact PRV to register your new address.
