**The application can be reinstated no later than 2020-11-06****Decision**

The Swedish Patent and Registration Office (PRV) hereby dismisses your patent application.

**Grounds for decision**

PRV invited you to render a statement or to rectify the deficiency within the application no later than 2020-07-06. As no measures have been taken within the above mentioned time limit, the application shall be dismissed according to Section 15 Paragraph 2 of the Patents Act.

**Conditions for reinstating the application**

To reinstate the application you must pay the reinstatement fee (500 SEK), and render a statement or rectify the deficiency previously stated by PRV.

As a reminder, if you reinstate the application, you also need to pay the annual fee for years 1-3 no later than 2020-07-31, or with a 20 % increase no later than 2021-01-31.
